

Emergency Medical Services Continuing Education

WITCC is offering EMS Continuing Education online. Vital Signs Courses (CEMR-1225-01) is a series of online courses designed to satisfy continuing education hours for EMS providers through high quality distance-based training. These courses present basic and advanced life support topics ranging from Burns and Behavioral Emergencies to Traumatic Brain Injury and Acute Coronary Syndromes, and are appropriate for every level of training. The class offering is from Log-in Date until December 21, 2010 and the cost is \$58.00.

Whether you are an EMT-Basic, EMT-Intermediate or Paramedic, these innovative online courses will help you fulfill your continuing education requirements.

Developed through Jones & Bartlett, in conjunction with one of the leading national medical organizations, the American College of Emergency Physicians, each module is 1.5 hours in length and provides 1.5 credits via SCEP/AMA and CECBEMS. The cost of \$58.00 includes all of the modules listed below.

The Modules are:

- Vital Signs: Abdominal Trauma Online
