

TRAINING ANNOUNCEMENT

4 Hour Responder Course

Why this is important... Responders are being struck and killed at traffic incidents in the U.S. on average:

- 5 Firefighters each year
- 1 Law Enforcement Officer each month
- 1 Tow Truck Operator each week
- Numerous transportation professionals each year from DOTs, Public Works, and Safety Service Patrols

The National TIM Responder Training Program was developed by responders for responders, and was designed to establish the foundation for and promote consistent training of all responders to achieve the three objectives of the TIM National Unified Goal (NUG):

- Responder Safety
- Safe, Quick Clearance
- Prompt, Reliable, Interoperable Communications

This new multi-disciplinary training program is directed towards all emergency responders and those supporting Traffic Incident Management (TIM) operations. This training brings together police, firefighters, State and local departments of transportation, towing, medical personnel, and other incident responders, leading to a safer, faster, integrated responder team.

The target audience for this course is responders from all TIM disciplines, including: Law Enforcement, Fire/Rescue, Emergency Medical Service, Towing and Recovery, Emergency Management, Communications, and Highway/Transportation.
